EASTER EGGS

Eggs remind us of the new life that is present for all of us in the Resurrection of Jesus. In ancient times eggs were a symbol of spring and fertility. During the Middle-Ages, the eating of eggs was prohibited during Lent. On Easter morning, Christians would give eggs to one another to celebrate the breaking of the Lenten fast. The egg became the symbol of the tomb from which Christ emerged, calling us all to resurrection and new life. When you dye Easter eggs, think about what colors mean: red - Jesus blood; purple - being sorry for sin; green - new life; gold - resurrection.

NAIL IT TO THE CROSS

Join your personal cross(es) with the one of Jesus. Write on the card provided whatever bothers you and nail it to the Cross on the altar's side. The Lord will help you carry the heavy load.

CLAVALA A LA CRUZ

Une tu cruz o cruces a la de Jesús. Escribe en la tarjetita cuál es tu pena o tu cruz y luego clávala a la cruz de Cristo puesta al lado del altar. El te ayudará a cargarla con mayor sosiego.

Confession of a priest: "I was trying to make a point that lack of communication is the major cause of divorce, but somehow things got mixed up and I said 'marriage' was the main cause of divorce."
