

Know the Signs & Report Human Trafficking

The upcoming Super Bowl provides an opportunity to shine a spotlight on a tragedy that exists in our diocese and the wider Bay Area. Human trafficking is modern day slavery in which a person is not free to leave a situation where they are being exploited for their labor or sexually for commercial gain. California has one of the highest numbers for reports on cases or victims of human trafficking in the country. As Catholics, we recognized the dignity and infinite worth of each and every human being. We are called to act when faced with injustice. Please help end human trafficking in our cities. Learn the Red Flags of human trafficking as well as ways you can help stop this evil at <www.notraffickahead.org>.
