**Blessed John Baptist Scalabrini**

Blessed G. B. Scalabrini

John Baptist Scalabrini (1839-1905), Bishop of Piacenza, lived the drama of the exodus of migrants who, during the last decades of the nineteenth century, traveled in great numbers from Europe to the countries in the New World. He clearly saw the need for a specific pastoral care of migrants through a suitable network of spiritual assistance. In this perspective, and giving proof of a keen spiritual insight and a concrete practical sense, he

founded the Congregation of the Missionary of St. Charles and the Missionary Sisters of Saint Charles. He strongly supported the need for legislative and institutional instruments for the human and juridical protection of the migrants against all forms of exploitation. Today, in different situations, the spiritual sons and daughters of Msgr. Scalabrini, who were later joined by the "Secular Institute of the Scalabrinian Missionary Women", continue to give witness to Christ's love for migrants and to offer them the Gospel. In 1998, JohnPaul II declared him Blessed and defined him as the "Father of Migrants".

**Liturgical Ministries**

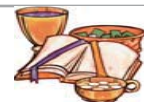

Fr. Livio has in mind establishing an organization of **Senior Liturgical Ministers** for special church celebrations. A particular need is the funeral Mass. Funerals are generally scheduled on weekday morning hours, when the young altar servers are in school and they would not be available to serve. The Senior Liturgical Ministers are retired men and women who would help at the funeral mass with serving at the altar and proclaiming the

readings. They will receive training from Father and form a sort of Parish Association that has not been named at yet. If you are willing to be part of this group, please write on a piece of paper your name and telephone number and give it to Father at the end of the Mass today or next Sunday.

The Solemnity of the Most Holy Body and Blood of Christ is also known as the Solemnity of Corpus Christi. This feast is celebrated on the Thursday following the Trinity Sunday or, as in the USA, on the Sunday following that feast. The primary purpose of this feast is to focus our attention on the Eucharist. The Feast of Corpus Christi is commonly used as an opportunity for public Eucharistic processions, which serves as a sign of common faith and adoration. Our worship of Jesus in His Body and Blood calls us to offer to God our Father a pledge of undivided love and an offering of ourselves to the service of others.
